

CHEBUCTO CELEBRATIONS

SEPTEMBER

2/3 Thistle created art and wrote about Turtle Island!

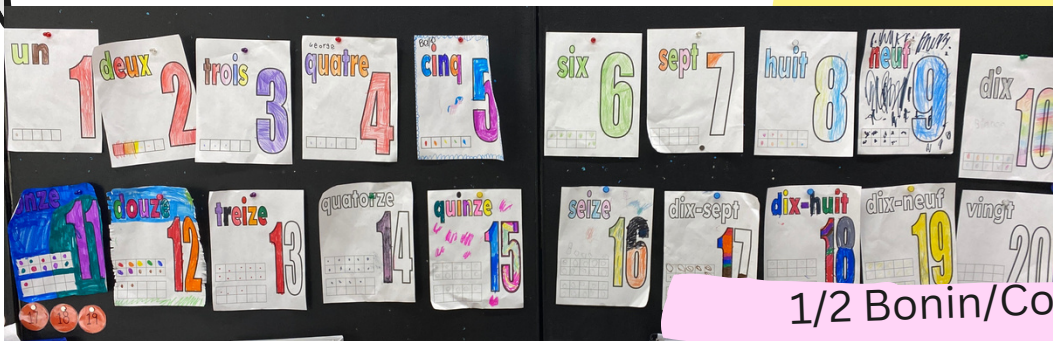

4/5 Ramoutar did cooperative STEM challenges!

2/3 Emery made lanterns for Mid-Autumn Festival!

4/5 Daley explored and created so many fun things with their first tinker crates!

1/2 Bonin/Cornick have been working on ten-frames and putting numbers in order!

3/4 Deacon worked on picking spots around the room to read!

5 Heisler went to the pottery lab and created so many amazing things!

3/4 Fucsek got comfy on flex seating to read around the room!

Playground Pals :)

Nos travaux spéciaux

4/5 Rad created inside/outside self portraits. Showing what makes us who we are!
