

## Get Involved at Chebucto Heights!

There are many ways to get involved in the Chebucto Heights Community. Please see below for a list of ways you can become involved in your child's school!

Criminal record and vulnerable sector checks are required to volunteer and work directly with children at our school. If you require additional information or support in getting your backchecks, please reach out to your child's teacher, Ms. Rigby or Mr. Myra.

### Breakfast Program

Chebucto Heights aims to serve healthy, affordable breakfast foods to our children first thing every morning.

**Time Commitment:** We are flexible with whatever commitment you can make, or whatever role you can play in making sure that our students have access to food when they arrive at school in the morning. You can commit as much or as little time as you like!

**Roles & Responsibilities:** You can support our breakfast program in a number of ways. We need people to volunteer time to prepare food and/or bake in advance so that we have a supply of food to serve to students. We also need people to support the school with purchasing supplies for the breakfast program and help us distribute breakfast program foods each day.

**Additional Information:** Breakfast Program volunteers can email Ms. Rigby at [crigby@hrce.ca](mailto:crigby@hrce.ca) for more information on how to get involved!

### Home & School Association

The Home & School Association is what makes all the fun at Chebucto Heights possible. The role of the H&S is to organize and execute fundraising events to benefit our students. Funds raised by the H&S are used to provide students with learning opportunities and experiences that make their time at CHES memorable.

**Time Commitment:** The H&S meets once monthly for 1 hour, in the evening to discuss fundraising goals, progress and plans. Beyond that, time commitments may vary depending on your schedule and the fundraising events happening at that time.

**Roles & Responsibilities:** As a part of the H&S your roles and responsibilities may change depending on the fundraising events. You have flexibility throughout the year on how much involvement you may have.

**Additional Information:** If you are interested in joining our H&S association, please email Mr. Myra at [cmyra@hrce.ca](mailto:cmyra@hrce.ca) to get involved!

## Classroom Volunteers

Our classroom teachers appreciate any help and support they can receive. Each classroom has its own unique community, and parent involvement looks different for each group. We always welcome parents to get their backchecks processed so you are available to visit classrooms and chaperones when the time comes.

**Time Commitment:** The time commitment is dependent on classroom teachers and what they have planned. This time commitment will vary from class to class and role to role within the class, over the course of the year.

**Roles & Responsibilities:** Being a classroom volunteer may include classroom visits for reading with students, special events and activities, and joining classrooms on field trips.

**Additional Information:** If you think being a classroom volunteer is a good fit for you, please reach out to your child's teacher for more information!

## Lunch Monitor

Lunch monitoring is a paid position at Chebucto Heights Elementary School. You do need to complete a new employee package for HRCE before starting as a lunch monitor.

**Time Commitment:** Lunch monitoring is a one hour commitment per day, but you can decide how many days you wish to commit to.

**Roles & Responsibilities:** As a lunch monitor at CHES you will supervise one/two classrooms indoors while students eat and then proceed outdoors to supervise for the second half of the lunch hour.

**Additional Information:** If you are interested in joining our H&S association, please email Ms. Rigby at [crigby@hrce.ca](mailto:crigby@hrce.ca) to get involved!
